Stainless Steel Repair Assortment Kits

Stainless Steel Repair Assortment Kits

A980 – Self-Tapping & Spring Hinge Screw Assortment Kit:

Our comprehensive kit contains all the self-tapping and thread-forming screws we offer, and tools too! All eight vials, a total of 320 screws, are made from stainless steel and have coated threads. In addition to the deluxe optical screwdriver, you get two blades: one general purpose blade (T551) and one nose pad screw blade (T555).

\$69.95

A981 – Self-Tapping & Spring Hinge Screw Assortment Sampler Kit:

This sampler kit contains eight different self-tapping and thread-forming screws in eight 25-count vials. All 200 screws in this handy kit are made from stainless steel and have coated threads.

\$44.95

A982 – Stainless Steel Repair Assortment Kit:

This stainless steel repair kit contains ten 25-count vials of screws and hex nuts. U.S. Thread Screws: A822, A823 Foreign/Metric Screws and Hex Nut: A821, A820, A816, A815, A826 and includes coated threads: A812, A810 and A811.

\$44.95
